

JOB FOR LIFE!

IT'S MY JOB, AND I'VE GOT TO HIT MY QUOTA.

SOMETIMES I WORRY HOW I'LL MAKE MY NUMBERS...

BUT I'VE GOT A STRATEGY...

1) Think small

"AND I MEAN SMALL, MICROSCOPICALLY SMALL!"

Asbestos sample

1) Think small
2) Assume people will ignore advice

"AND, BELIEVE ME, THEY DO..."

THEN I SIT BACK AND WAIT...

"THIRTY YEARS LATER, IT'S TIME TO COLLECT!"

YOU'RE NOT GOING TO MAKE MY JOB DIFFICULT BY AVOIDING ASBESTOS ARE YOU?...

Each week approximately 20 tradesmen die from asbestos-related diseases.

Asbestos training is a legal requirement

If you work on buildings built or refurbished before the year 2000, asbestos could be present. You will need awareness training so you know how to avoid the risks.
