

Asbestos Surveyor

Our Company

Marpal Ltd was founded in 1998 focusing mainly on Health and Safety in the Construction industry. Within that time we have managed all types of contracts from various sectors including Defence, Nuclear, Health Care, Retail, Education and many more. During this period we have undergone significant expansion which has resulted in us developing a dedicated Fire Safety Department and Asbestos Department all of which has added extra value for our customers.

While we do manage larger clients and fulfil large contracts, we are essentially a small business. Our office environment is very supportive and inclusive with a solid management structure in place. Progression is very important to our business, both from a business perspective and also from an individual point.

The Role

We currently have a vacancy for an experienced qualified Asbestos Surveyor to work from our Head Office based in Derby. The role requires the successful candidate to travel throughout the UK. You will be required to carry out Asbestos Surveys, Annual Re-inspections of known ACM's, deliver Asbestos Awareness Briefings, prepare and check Asbestos Survey Reports etc.

The position also offers an opportunity for the successful candidate to develop their career into the field of Construction Health & Safety by providing support to our CDM Consultancy Department. All relevant training will be given to the right person who wishes to develop their career in this area.

The Candidate

- Hold a P402 Certificate or equivalent.
- Have at least 2 years' experience as a Lead Surveyor.
- Previous experience within Construction would be beneficial but not essential.
- Be punctual and reliable.
- Be able to take direction and work as part of a team.
- Be flexible and reactive to our Clients' requirements
- Be able to spend evenings away from home on a regular basis.
- Be comfortable with all work environments, including offices, construction sites and care home environments.
- Be flexible regarding working hours and requirements.
- Hold a GCSE Maths and English (A-C) or equivalent.
- Be computer literate, with a working knowledge of Microsoft Word and Outlook.
