About Marpal

Serving nationally since 1998, Marpal are a Derby based Health and Safety Consultancy offering a range of services within the fields of CDM Consultancy, General Health & Safety, Fire Safety and Asbestos Management.

The CDM Consultancy services offered by Marpal briefly comprises of assisting Clients, Principal Designers, Principal Contractors and Contractors with complying with their statutory duties. This includes, but is not limited to, preparing Pre-Construction Information Packs, developing CDM Risk Registers, Construction Phase Plans, Health & Safety Files, Building Manuals, undertaking Site Safety Inspections etc.

Marpal also operate a Health & Safety Competent Person Scheme designed to assist small to medium sized business in complying with their health and safety obligations by providing health and safety assistance and advice.

Our Clients are wide ranging and including multi-site organisations which operate across the UK. We work in most industry sectors, including Property, Retail, Education, Industrial, Rail, Health Care, Residential, Leisure etc.

CDM/Health & Safety Consultant's Role

Marpal's CDM Consultancy Department is growing and we are now looking to recruit a suitable Health & Safety/CDM Consultant to join our team to assist the CDM Department with the delivery of CDM Consultancy Services on construction projects across the UK, as well as providing health and safety support to members of Marpal's Competent Person Scheme.

The ideal candidate should have a Construction or Health and Safety related degree (although not essential) and be from a construction health and safety background, either as a CDM Consultant or Health and Safety Advisor/Manager. The successful candidate will be based at our Derby office.

The ideal candidate should have: i) an understanding of the CDM Regulations ii) experience within the Construction Industry iii) the ability to communicate to various people of differing statures iv) be computer literate v) have an excellent grasp of spoken and written English.

Opportunity

At Marpal, we believe our team is our greatest asset and the key to our success so far. This Health & Safety/CDM Consultancy position is a fantastic opportunity to join a fast-growing dynamic team. We encourage and support our employees with their Continuous Professional Development (CPD), which not only benefits our Client's and the quality of service provided, but helps to develop and progress our staff.

Please send your CV and cover letter to Paul Littlewood at plittlewood@marpal.co.uk. For further information, please call 01332 668877. Closing date 29th February 2020.
